Dear Parents/Carers

School Planners

During this first week your child will be issued with a temporary paper Planner. We are hoping to move over to an electronic planner later this year and the company we are working with are in the planning stages of this as I write to you.

The temporary planner that your child has been issued with is a very important document still and I would ask that you use this as your communication tool with your child's form tutor and the school in general. You will be able to see at a glance the homework your child has been given and would ask that this is signed off by you once completed.

Can I also remind you that we will be sending letters out via email and a copy of year group letters will also be posted on the VLE for you to view and/or download as you wish.

Should you change your email address or if you are not sure whether you have provided us with your details, please email office@holmesdale.kent.sch.uk and ensure you include your child's name and tutor group.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Julia Campbell'.
