| <b>Total number of students</b> | 630                   | <b>Number of students eligible for PP</b> | 168      | <b>Date for next internal review of this strategy</b> | Jan 2018 |

### 2. Current attainment (Outcomes 2016 - 2017)

|                                   | Students eligible for PP (THS) | Students not eligible for PP (National) |
|-----------------------------------|--------------------------------|---|
| <b>% achieving 9 – 4 incl. EM</b> | <b>38.89%</b>                  | 62%                                     |
| <b>Progress 8 score average</b>   | <b>-1.07</b>                   | 0.71                                    |
| <b>Attainment 8 score average</b> | <b>32.07</b>                   | 52.72                                   |

### 3. Barriers to future attainment (for students eligible for PP)

#### In-school barriers *(issues to be addressed in school, such as poor literacy skills)*

- |           |   |
|-----------|---|
| <b>A.</b> | The quality of teaching and learning in the school currently does not provide consistently 'good' or better teaching in all subject areas     |
| <b>B.</b> | PP students do not take advantages of opportunities outside of school hours to promote, extend or consolidate their learning                  |
| <b>C.</b> | PP students do not make progress in line with others in Maths and English due to initial starting points with low literacy and numeracy rates |
| <b>D.</b> | Lack of engagement through aspiration and opportunity   |
| <b>E.</b> | Proportion of students with SEMH issues leading to behaviour issues   |

#### External barriers *(issues which also require action outside school, such as low attendance rates)*

- |           |                             |
|-----------|-----------------------------|
| <b>E.</b> | Lack of parental engagement |
|-----------|-----------------------------|

|    |   |
|----|---|
| F. | Attendance rates for PP students are below the attendance for other children (PP 90.28% vs. NPP 93.78% (-3.50% difference) reducing their time in school and contributes to them not making expected LOP. |
|----|---|

| 4. Desired outcomes ( <i>desired outcomes and how they will be measured</i> ) |   | Success criteria   |
|---|---|--|
| A.  | Ensure PP outcomes (including English and Maths) are in line or better than non-PP outcomes | PP students achieving 5+ GCSEs including English and Maths increased from 36.11%   |
| B.  | Pupil Premium students make improved levels of expected progress across all year groups     | Rates of progress in Maths and English in KS3 and KS4 for PP students in line or better than other student groups or the gap is closing rapidly.                   |
| C.  | Attendance rates for PP students increased  | Number of absences for PP pupils reduces. Overall attendance of PP students improves from 90.28% (2016-2017) to 96% or higher closing the gap with 'other' pupils. |
| D.  | Secure early pastoral intervention to reduce barriers to learning                           | PP students are successful in school and engage well. Attendance rates are high will gap narrowed between PP and NPP.  |

| 5. Planned expenditure   |   |   |   |
|--|---|---|---|
| Academic year  |   | 2017/18   |   |
| The three headings below enable schools to demonstrate how they are using the Pupil Premium to improve classroom pedagogy, provide targeted support and support whole school strategies. |   |   |   |
| i. Teaching, Learning and Assessment   |   |   |   |
| Desired outcome  | Chosen actions / approaches   | What is the evidence and rationale for this choice?   | Breakdown of approximate spending   |
| Improved teaching, learning and assessment across the school supports improved progress and outcomes so the gaps close so PP student attainment is in line with national                 | <ul style="list-style-type: none"> <li>• Each department to have Department Assessment Policy (DAP)</li> <li>• SL carry out monitoring and evaluation strategies to improve T&amp;L at department level (SL Termly QA reports)</li> <li>• Use of SPOT sessions to develop pedagogy for T&amp;L</li> <li>• Subject Reviews to monitor and set targets for departments</li> <li>• Availability of CPD to develop T&amp;L practice and assessment</li> <li>• PP review to monitor current position and inform strategies to improve T&amp;L and outcomes for this student group</li> <li>• Work scrutiny termly by SLs and SLT</li> <li>• Use of data to inform teacher planning so staff are aware of groups and interventions are in place for underperformance</li> </ul> | <p>Evidence suggests high quality feedback is an effective way to improve attainment and it is suitable as an approach that can be embedded across the school. (EEF and Sutton Trust Docs)</p> <p>Evidence from QA1 illustrates the need to address basic teaching practice to ensure all staff are delivering consistently good or better lessons</p> <p>The use of data in planning lessons will ensure teachers provide challenging lessons which stretch all students</p> | <p>Marking, feedback and collaborative learning £16,000</p> <p>Development of Meta Cognition Approaches £7000</p> <p>Afterschool revision session and resources £7500</p> |
