Dear Parent/Carer

**Year 9 Options Evening – Thursday 5<sup>th</sup> March 5pm – 6pm**

As previously communicated our Options Evening is on Thursday 5<sup>th</sup> March. Options Evening is a key event for shaping student pathways. We are dedicated to providing the guidance students need to make informed choices for their future. To try and support with this we wanted to share the blocks with you in advance to help support your decision.

The evening starts at 5pm with a short presentation to explain the options available to the students, as well as instructions on how to select your options online.

There will be the opportunity to meet subject teachers to find out more information regarding specific courses that are on offer and that may interest your child.

Shown below are the Option blocks that we are using. These are now set and have changed based on student interest and governmental changes. In Option block A there will be two history and two geography classes. Students that want to achieve the governmental English Baccalaureate would need to take Spanish and either History or Geography. There may be future changes due to governmental policy changes or timetabling constraints.

Option Block A	Option Block B	Option Block C
History	Spanish	Sports Studies
Geography	Health and Social Care	History
History	Business	Travel + Tourism
Geography	Sports Studies	Art
DIT	Hospitality and Catering	Finance
Health and Social care	Geography	Triple Science

We look forward to seeing you on Thursday 5<sup>th</sup> March.

Yours faithfully,

Mr R Badham  
Assistant Headteacher
