

Dear Parent/guardian

RE: Year 11 Easter Holiday OSL

During the Easter holidays we are running OSL sessions for students. The sessions will provide the opportunity for structured revision work and examination techniques, which will help the students to achieve their full potential in their forthcoming examinations.

The sessions will run from 10:00 to 12:00 and 1:00 to 3:00

	Monday 4 th April	Tuesday 5 th April	Wednesday 6 th April	Thursday 7 th April	Friday 8 th April
10am-12pm	History – SMU Geography - CRI	Year 12 HSC (SAM, ABU) Year 11 Science – RBA/LHA	Values – Those sitting short course RS		Y11 English
1pm-3pm		Year 13 Sport (SAM) Depending on Jan Results Year 12 science - RBA	Values – those sitting short course RS		
	Monday 11 th April	Tuesday 12 th April	Wednesday 13 th April	Thursday 14 th April	Friday 15 th April
10am-12pm	Art	Dance		Year 11 Maths	Bank Holiday
1pm-3pm	DT	Dance			

Your child is required to attend these sessions for us to ensure they are fully prepared for the summer GCSE exams. The impact of holiday and Saturday OSL sessions are significant, with students who attend them making better progress compared to those that do not. This holiday period is also the last period before the start of the examinations, so we urge students to attend as many of the sessions as possible.

Students are not required to wear school uniform, but must be punctual to all sessions, equipped and ready to learn. For teachers to plan appropriately for these sessions, students have been asked to complete an online form that has been emailed to them by Mrs Mulock. This must be completed by **31st March 2022**. Any unanticipated changes to the timetable will be communicated with parents as quickly as possible in the course of the holidays if necessary.

In addition, I would like to take this opportunity to remind parents that on **31st March 2022**, there will be an information evening at the school between **5pm-6pm**. This will be an opportunity to inform you all about any changes which have been made to the GCSEs and to give you any last information about what your child can be doing to adequately prepare for success in their GCSE examinations.

Regards

Mrs Mulock & Mr Downey
