

1st July 2022

Dear Parents/Carers,

Learning Leader for Year 10 Students going into Year 11

I wanted to write to inform you that I will remain as your child's Learning Leader in Year 11. I will take them through this academic year and their examinations next summer. I will be working alongside Mr Rothwell who will remain as the Student Support Manager (SSM) of their year group. As before, I will be responsible for the academic progress and attendance of Year 11 students.

When students return to school as Year 11s on Monday 4th July, they will be expected to embrace their GCSEs in the right way and approach them with a positive and open mindset, showing that they are ready for the challenges and opportunities ahead. Part of this is for them to be fully compliant in the uniform and equipment policy.

As a school, we want our students to have excellent engagement in lessons. Most students in the year group have been achieving this throughout Year 10. So that this continues, please ensure your child has the full, correct uniform and the following equipment in all lessons:

- Black/Blue pen, green pen
- Pencil and rubber
- Ruler

Students should also ensure that they have a blazer, school shoes and a bag appropriate to carry equipment and books. I will be greeting students at the door on Monday morning and any students who are not fully ready for the day will be out of circulation. If there is a medical reason for a student wearing trainers, please ensure they have an up to date note to show me and it is signed. I believe that it is essential to start the school day in the correct way and avoid all possible barriers to learning.

I am honoured to be working with this year group again and know that they can show immense progress in their final year.

I will be in further contact with you in September to inform you of upcoming events during the year, as well as any assessments which are due to take place.

Kind regards,

Mr P Sullivan
Learning Leader for Year 11
